

Folk variation under European Sky

Place: Zgierz, Poland

Dates: 12-20.09.2014

Type of action: Key 1, youth exchange

Description:

Everyone is different, but in general we are very similar. Our traditions, customs, behaves are various beacouse they are based on our culture, and this culture we would like to discover in our project. We would like to give a chance for young people to cognize new situation on their own. We will meet each other in Zgierz, Poland and we will discuss customs and traditions, try to recognize our identity in European Union, break stereotypes connected with background and develop mutual understanding between young people form different countries.

Aims:

- Create a successful network among participants
- To ensure young people's cultural fusion
- To show that despite differences we are similar
- Encourage young people to take part in international activities
- To ensure the establishment of friendship between countries
- To break the stereotypes
- Develop a sense of leadership and volunteering
- Develop competences of young people
